

Kenda Tyres ↙

**KENDA**  
TIRES AND TUBES

RGK Wheelchairs has established a relationship with Kenda Rubber Co to be their exclusive distributor of their market leading range of high performance wheelchair tyres and tubes.

The Kenda tyre range are manufactured from an Exclusive Natural Rubber compound which gives the following benefits:

- 1) Reduced rolling resistance
- 2) Improved wheelchair ride
- 3) Improved grip, especially in wet conditions
- 4) Precise handling
- 5) CAP 2 sidewall protection for added strength and puncture resistance

ORANGE
